## PACS summer fund to benefit by giveaway

### Staff Report • The Times Leader

### Store.

PACS community programs coordinator Helen Shipman said that proceeds from the Easter raffle will be used to help with the cost of summer cooling bills for persons who qualify for assistance with this program administered through Pennyville Allied Community Services.

Shipman said that proceeds from the Easter raffle are \$1 each or six for \$5. The tickets can be purchased at Farmers Bank and Trust, Planters Bank and the PACS Office from Newsom's Old Mill

on Cave Street. The drawing is scheduled for Friday, April 3. The winner will be announced on 104.9 the WAVE. Persons who want more information can call Helen at 270-365-5097.

The plan will, in effect, buy the utility a year of time to determine its best method of regulation, Oakley said.

"We went through several options," he told the board. "The bottom line is to be in compliance in a year.

"We said that you all had done some pilot testing several years ago with chemical treatment, and you proved that it would work."

Other business • A line project intended to improve water service in multiple sections of the city is advancing.

Agreements for interim financing from USDA Rural Development should be in place in about two weeks.

Some title and right-of-way work is still underway, but the project could be put out for bids by late June or early July, Oakley said.

The cost of that system,

currently functional. The emergency was declared due to the time-frame for delivery of the components, expected to be from four to five months.
